

A Difference in *Dates* Can Make a DIFFERENCE in Price!

You've been hearing for years that "15 minutes or less can save you 15% or more" when it comes to buying car insurance. Did you know that just 15 minutes or less on the phone with Genesis can **save you up to 31%** on a golf trip this fall?

That's right - the team who is *always* looking for ways to help you save money, can bring you some unbelievably low-priced trips this fall. We recently created a variety of packages and found that in many cases, waiting just seven days to take your trip makes a big difference in your total cost! So, planning your trip for the dates indicated below will give you greater savings as a result of the "Four Play, 3 Pay" offer and/or lower rates after October 16th!

To further save you money, we illustrated some of the incredible values by shifting your golf trip from a Friday - Sunday to a Saturday - Monday. You can then take advantage of the 20% "Sunday/Monday Madness" savings on accommodations as illustrated in the packages below).

You *really* can plan the ideal golf getaway in 15 minutes or less with Genesis. Call your Genesis golf specialist for more details at **888-752-3033 extension 4 for sales**. Below are just SOME of the many examples of packages that will save you money...
